Preamble: It is the will of God for us to prosper and receive total breakthrough financially.

No matter what anyone told you, God did not destine us to be poor or limited. The Bible says Jesus though He was rich, became poor that we through His poverty might be rich.

The economy condition of the nation and this region at the moment may not be what it ought or used to be; still we need to understand that it is the blessing of the Lord that makes rich and add no sorrow.

We need to understand what happened to Isaac in Genesis 26 especially in Gerar. He sowed where others had failed (a dry land) with the breathe of God he reaped a 100 fold.
